

Dear Cari

# THANK YOU

I just wanted to thank you for the presentation from yesterday. You made me realize how much we have to appreciate our lives, and everything my parents have done for me.

When I was a kid I suffered Leukemia for 5 years, and unfortunately, I saw my parents crying, suffering, every single day, and I really thought I was going to die, but faith was what saved me. and I know <sup>you</sup> you are an amazing, strong, beautiful, full of faith woman. That's what makes you special. that you never gave up, and I know Brandon is thankful for everything you did for him.

Thank you so much for being the amazing human being you are, never change, and keep your faith up.

Love you.
